

**AGENDA**  
**SOUTH ORANGE COUNTY WATERSHED MANAGEMENT AREA**  
**EXECUTIVE COMMITTEE**

**August 6, 2020**  
2:30 – 4:30 p.m.

**Meeting Held Remotely**

Participation Link: [ocpublicworks.com/SOCWMA](https://ocpublicworks.com/SOCWMA)

Call-in: 1-415-655-0001 (access code 133 601 1086)

---

**Debbie Neev, Chair**

Laguna Beach County Water District

**Sandra Jacobs**

Santa Margarita Water District

**Sandy Rains**

City of Laguna Niguel

**Paul Wyatt**

City of Dana Point

**Kay Havens**

El Toro Water District

**Mary Aileen Matheis**

Irvine Ranch Water District

**Bob Whalen**

City of Laguna Beach

**Erica Pezold**

City of Laguna Hills

**Carol Moore**

City of Laguna Woods

**Trish Kelley**

City of Mission Viejo

**Scott Voigts**

City of Lake Forest

**Tiffany Ackley, Vice Chair**

City of Aliso Viejo

**Bill Moorhead**

Moulton Niguel Water District

**Megan Yoo Schneider**

Municipal Water District of OC

**Lisa Bartlett**

County of Orange

**Brad McGirr**

City of Rancho Santa Margarita

**Gene James**

City of San Clemente

**Derek Reeve**

San Juan Basin Authority

**Doug Erdman**

South Coast Water District

**Rick Erkeneff**

South OC Wastewater Authority

**Ed Mandich**

Trabuco Canyon Water District

**Jack Hunt**

City of San Juan Capistrano

*The Watershed Management Area Executive Committee welcomes you to this meeting and encourages your participation.*

*This agenda contains a brief general description of each item to be considered. Except as otherwise provided by law, no action shall be taken on any items not appearing in the following agenda. However, items may be taken up in a different sequence.*

*As a result of the COVID-19 emergency and Governor Newsom's Executive Orders [N-29-20](#) and [N-33-20](#), this meeting will be held via webinar and teleconference only. Important privacy note: This is a public meeting and as such, the webinar and teleconference access information is published and available to everyone at [www.southocirwm.org](http://www.southocirwm.org). Executive Committee members and staff may attend this meeting via telephone and/or online.*

*Pursuant to Government Code section 54957.5, non-exempt public records that relate to open session agenda items and are distributed to a majority of the Executive Committee less than seventy two (72)*

hours prior to the meeting will be available on the South OC IRWM website at [www.southocirwm.org](http://www.southocirwm.org).

In compliance with the American Disabilities Act, those requiring accommodations for this meeting should notify the SOCWMA Meeting Administrator 72 hours prior to the meeting at 714-955-0635 or [maria.tamez@ocpw.ocgov.com](mailto:maria.tamez@ocpw.ocgov.com).

**TO JOIN THE MEETING:**

**LINK:** [ocpublicworks.com/SOCWMA](http://ocpublicworks.com/SOCWMA)

**FOR AUDIO:**

- 1) use computer audio through WebEx Live; or
- 2) From Phone: Follow the “Call In” instructions when joining the WebEx Event - **Dial 1-415-655-0001 and enter access code 133 601 1086**. If prompted, event password is: socwma

***If you have any questions, please contact the designated SOCWMA Meeting Administrator at [maria.tamez@ocpw.ocgov.com](mailto:maria.tamez@ocpw.ocgov.com) or 714-955-0635.***

**TO PROVIDE PUBLIC COMMENT ON AGENDA ITEMS:**

*Members of the public have the opportunity to submit comments in writing via mail to Maria Tamez (SOCWMA Meeting Administrator) at 2301 N. Glassell, Orange CA 92665 or by email at [maria.tamez@ocpw.ocgov.com](mailto:maria.tamez@ocpw.ocgov.com) prior to the meeting. If submitting comments via mail, please ensure your comments are received prior to August 6, 2020. Comments may also be submitted during the meeting via the “chat” function of the WebEx Live webinar or email and will be read aloud by the SOCWMA Meeting Administrator during the appropriate agenda item. Please keep public comments to three minutes.*

*Public comments on non-agenda topics as noted for Item #2 below are requested in advance to entered into the record.*

## **WELCOME AND PLEDGE OF ALLEGIANCE (COMMITTEE CHAIR)**

### **ITEM # 1 INTRODUCTIONS**

### **ITEM # 2 PUBLIC COMMENTS (NON-AGENDA ITEMS)**

### **ITEM # 3 APPROVAL OF MINUTES**

**Recommended Action:** Approve the minutes of the February 6, 2020 meeting.

### **ITEM # 4 PRESENTATION: URBAN DROOL TOOL – INTEGRATING WATER USAGE DATA WITH WATERSHED DATA TO ENGAGE THE COMMUNITY IN USING WATER WISELY *DREW ATWATER & LAURA ROCHA, MOULTON NIGUEL WATER DISTRICT***

**Recommended Action:** Receive and file.

### **ITEM # 5 PRESENTATION: CALIFORNIA WATER DATA CONSORTIUM – OPEN & TRANSPARENT WATER DATA *TARA MORAN & MIKE MYATT, CALIFORNIA WATER DATA CONSORTIUM***

**Recommended Action:** Receive and file.

### **ITEM # 6 SALT AND NUTRIENT MANAGEMENT PLAN REVIEW PROCESS UPDATE & DISCUSSION *AMBER BAYLOR, SOCWA***

**Recommended Action:** Consider proposed letter for submittal to San Diego Regional Water Quality Control Board in support of the 2020 Salt and Nutrient Management Plan, to be submitted at the discretion of each Member Agency on behalf of their agency.

### **ITEM # 7 EXECUTIVE OFFICER’S REPORT – *AMANDA CARR***

**Recommended Action:** Receive and file.

### **ITEM # 8 EXECUTIVE COMMITTEE MEMBER COMMENTS**

### **ITEM # 9 ADJOURNMENT**

Next meeting date: November 5, 2020

## AGENDA STAFF REPORTS

### ITEM # 1. INTRODUCTIONS

**Committee Members:** please use the chat function to notify the SOCWMA Meeting Administrator you are in attendance. The SOCWMA Meeting Administrator will record your attendance and webinar/call-in ID name, and request confirmation during a verbal roll call. Please make sure to unmute your connection when your name is read aloud during roll call, and then mute again until you would like to speak on subsequent agenda items.

**Members of the Public:** your line will be muted upon joining. As with all SOCWMA Executive Committee meetings, you are welcome to introduce yourself to sign-in but are not required to do so. Please either enter your name in the “chat” function of the webinar or email the SOCWMA Meeting Administrator to ensure your name appears on the public record.

### ITEM # 2. PUBLIC COMMENTS, NON-AGENDA TOPICS

Any member of the public wishing to provide public comment on non-agenda items under the jurisdiction of the Executive Committee may do so during Public Comments by submitting a comment in the “chat” function of the webinar or via email to the SOCWMA Meeting Administrator at [maria.tamez@ocpw.ocgov.com](mailto:maria.tamez@ocpw.ocgov.com) by **2:30 PM on August 6<sup>th</sup>** so your comment can be read aloud and your name announced for the record on this item.

All persons addressing the Executive Committee are requested to limit their comments to three minutes.

### ITEM # 3. APPROVAL OF MINUTES

#### MINUTES OF FEBRUARY 6, 2020 FOR APPROVAL

**Date and Location:** February 6, 2020 2:30 – 4:30 p.m.  
Laguna Niguel Council Chambers  
30111 Crown Valley Parkway  
Laguna Niguel, CA 92677

**\*\*Audio recording for the February 6, 2020 meeting is available [here](#). Recording times noted in the minutes correspond to that item on the recording. \*\***

#### ITEM # 1 Roll Call/Self-Introductions (Recording: 00:00:44)

Tiffany Ackley, Vice-Chair, City of Aliso Viejo
Ed Mandich, Trabuco Canyon Water District
Sandy Rains, City of Laguna Niguel
Jack Hunt, City of San Juan Capistrano
Kay Havens, El Toro Water District
Erica Pezold, City of Laguna Hills
Payl Wyatt, City of Dana Point
Saundra Jacobs, Santa Margarita Water District
Brian Goodell for Trish Kelley, City of Mission Viejo

Carol Moore, City of Laguna Woods
Mary-Aileen Matheis, Irvine Ranch Water District
Rick Erkeneff, South OC Wastewater Authority
Karl Seckel <i>for Megan Yoo Schneider</i> , Municipal Water District of OC
Yasie Goebel <i>for Lisa Barlett</i> , County of Orange
Wayne Rayfield, South Coast Water District

**ITEM # 2 Public Comments (Non-Agenda Items) (Recording: 00:03:45)**

There were no public comments on non-agenda items.

**ITEM # 3 Approval of Minutes (Recording: 00:03:54)**

The minutes of the November 7, 2019 meeting were presented to the Executive Committee for approval.

**Recommended Action:** Approve the minutes of the November 7, 2019 meeting.

*Motion: Approve minutes*  
*First/Second: Sandra Jacobs/Carol Moore*  
*Abstained: None*  
*Outcome: Approved unanimously*

**ITEM # 4 Salt and Nutrient Management Plan Update (Recording: 00:04:15)**  
**Amber Baylor, SOCWA**

Ms. Amber Baylor, SOCWA provided an update on the Salt and Nutrient Plan (SNMP) which describes how water and wastewater agencies will collaboratively manage salts, nutrients, and other significant chemical compounds on a watershed or basin-wide basis. The SNMP was finalized in 2013 with Proposition 84 IRWM Planning Grant funds, and incorporated into the SOCWMA IRWM Plan (see Section 13 and Appendix X). Ms. Baylor stated that the plans have not been approved by the San Diego Regional Board since 2014.

Ms. Sandra Jacobs, Santa Margarita Water District asked why these plans have not been approved even though work toward the goals of the plan has continued. Ms. Baylor said that after 6 years of state-wide consideration for how these plans should be monitored or implemented, no further direction has been given. Ms. Jacobs expressed concerned that the lack of further approval could impact the use of recycled water, and inquired whether or not the Committee could issue a letter of support for plan approval.

Mr. Paul Wyatt, City of Dana Point asked for a motion for Ms. Jacobs to add the letter to a future meeting agenda. Committee Executive Officer, Ms. Amanda Carr, clarified that a motion can't be made on an item that is not on the agenda. Ms. Jacobs asked Ms. Baylor if it would be helpful to obtain a letter of support, although it would take three months to obtain. Ms. Baylor said that it would be helpful, although, it would be past the meeting date with the Regional Board. Mr. Wyatt was under the impression that action could be taken on adding the letter of support since it is relevant to the agendized item. Ms. Carr clarified that the item on the agenda is pertaining to the update on the plan, not a letter of support for the plan to be adopted. Ms. Carr suggested that the agencies draft an individual letter of support for a faster time frame. Mr. Wyatt asked that staff investigate how there could be more flexibility in the future to add last minute items to the agenda. Mr. Wayne Rayfield, South Coast Water District asked that the County draft a letter that could be sent to all members. Ms. Carr suggested to Mr. Rayfield that SOCWA draft the letter of

support and the County of Orange could distribute to members, considering they worked on developing the Plan. Mr. Rayfield suggested that San Juan Basin Authority draft the letter since they have more expertise on this matter. Ms. Baylor said that SOCWA would draft the letter and submit it to the County of Orange for distribution.

Mr. Roger Butow, Clean Water Now, provided public comment thanking Ms. Baylor, all staff and agencies that have been involved in the development of the Salt and Nutrient Management Plan.

**Recommended Action:** Receive and File

**ITEM # 5      SOCWA Recreational Water Quality Research Update (Recording: 00:27:46)**  
***Amber Baylor, SOCWA***

Ms. Baylor provided an update on SOCWA's Recreational Water Quality Research Plan. Ms. Baylor focused her update on Project 3. The preliminary study conclusion through speciation is that there are Enterococcus bacteria naturally occurring. There were no trends observed of persistent human sources of Enterococcus bacteria. Ms. Baylor noted that the goal is to establish baselines of naturalized Enterococcus inputs for future compliance requirements.

Ms. Jacobs, Mr. Erkeneff, Ms. Kay Havens, El Toro Water District, and Ms. Erica Pezold, City of Laguna Hills congratulated Ms. Baylor on her presentation and had various comments regarding the results of the study, particularly regarding how information on sources of bacteria is important for the public to know.

**Recommended Action:** Receive and file.

**ITEM # 6      Draft Water Resilience Portfolio Recommendations (Recording: 00:54:56)**  
***Jenna Voss, County of Orange***

Ms. Jenna Voss, County of Orange, provided the Committee an update on the Draft Water Resilience Portfolio issued January 3, 2020 for public comment. Ms. Voss's update included an overview of Executive order N-10-19 (the Governor's order requiring the development of the portfolio), priorities, coordinated comment letters, and draft recommendations. Ms. Voss provided an overview of the IRWM Roundtable of Regions' combined comment letter, and how the letter reflected input received by the Committee previously.

**Recommended Action:** Receive and file.

**ITEM # 7      State Updates and Potential Water Bond (Recording: 01:06:45)**  
***Jenna Voss, County of Orange***

Ms. Voss went over relevant State legislative activity for Committee and stakeholder reference, including several water bond bills currently going through committee. Ms. Voss gave an overview of the Climate Resilience portion of Governor Newsom's proposed FY 2020-21 budget released in mid-January. The draft budget includes proposed funds for drinking water, flood and drought preparedness in both a Climate Resilience Bond, as well as through some allocations of general funds. Ms. Voss will continue to update the Committee on coordination between Roundtable, the California Stormwater Quality Association (CASQA) and the Association of California Water Agencies (ACWA).

**Recommended Action:** Receive and file.

**ITEM #8 Executive Officer’s Report (Recording: 01:14:43)**  
**Amanda Carr, County of Orange**

Ms. Carr provided updates on the Aliso Creek Project Collaboration Group, the submission of the Water Quality Improvement Plan (WQIP) annual report to the San Diego Regional Water Quality Control Board on January 30<sup>th</sup>, grant updates, and her election to become Chair for CASQA.

**ITEM # 9 Executive Committee Member Comments (Recording: 01:21:43)**

Mr. Brian Goodell, Mission Viejo, suggested that staff consider a presentation at the next meeting to explain how the Committee meetings meet the requirements of the Ralph M. Brown Act to clarify requirements for agenda items or modifications per the discussion on Agenda Item #4.

**ITEM #10 Adjournment (Recording: 01:28:25); Next meeting date: May 14, 2020**

<b>Non-Committee Attendees:</b>	
Mark Tettermer	Irvine Ranch Water District
Richard Schlesinger	City of Mission Viejo
Jeremy Hohnbaum	City of San Juan Capistrano
Joey Soto	Soto Resources
Ken Rosenfield	City of Laguna Hills
Roger Butow	Clean Water Now
Hal Ghafari	City of Laguna Niguel
Kathy Hubbard	Haley & Aldrich
Amber Baylor	SOCWA
Moy Yahya	City of Aliso Viejo
Lynn Carayan	Public
Bill Moorhead	Moulton Niguel Water District
Wayne Rayfield	South Coast Water District
Dennis Cafferty	El Toro Water District
Laura Rocha	Moulton Niguel Water District
Fernando Paludi	Trabuco Canyon Water District
Mary Vondrak	City of Laguna Beach
<b>County Staff:</b> Amanda Carr, Grant Sharp, Jenna Voss, Andrew McGuire, Cindy Rivers, Tracy Ingebrigtsen, Maria Tamez	

**END MINUTES OF FEBRUARY 6, 2020**

**Recommended Action:** Approve the minutes of the February 6, 2020 meeting.

**ITEM # 4. PRESENTATION: URBAN DROOL TOOL – INTEGRATING WATER USAGE DATA WITH WATERSHED DATA TO ENGAGE THE COMMUNITY IN USING WATER WISELY**

Mr. Drew Atwater and Ms. Laura Rocha with Moulton Niguel Water District (MNWD) will provide an overview of the Urban Drool Tool for the Committee. The Urban Drool Tool is an open-source web application built through a collaborative effort between MNWD and the County of Orange. The tool

combines water consumption data, account information, and watershed data to match household water use with each neighborhood's urban runoff. The goal of the tool is to motivate water use efficiency by helping users understand the watershed and recreational benefits of staying within their water budgets. This tool is helping identify areas that would benefit most from water efficiency programs.

Through a suite of automated data connections and Python scripts, the tool builds and maintains a current and historic database of water usage metrics at the neighborhood scale. From this database, the tool displays current water usage patterns and historic trends, including metrics that approximate "urban drool" (dry weather runoff) and summarize participation in rebate programs. The tool also builds on watershed data compiled by the County of Orange, to help the user learn about where their runoff flows and what watershed or recreational resources it affects. Finally, the tool provides news bulletins to help users learn about opportunities to reduce urban drool while saving on their water bill.

**Recommended Action: Receive and file.**

## **ITEM # 5. PRESENTATION: CALIFORNIA WATER DATA CONSORTIUM – OPEN & TRANSPARENT WATER DATA**

Ms. Tara Moran and Mr. Mike Myatt, California Water Data Consortium, will provide an overview of the [Open & Transparent Water Data Act \(AB 1755\)](#) and their organization's role in developing a statewide integrated water data platform. Going forward, the South OC IRWM Plan, as well as any IRWM Grant project proponent will need to comply with AB 1755.

The State Department of Water Resources (DWR) is tasked with implementing AB 1755 in consultation with other agencies. DWR formed a Partner Agency Team (PAT) comprising eight state organizations, which collectively developed a strategic plan reflective of state efforts and progress to meet the intent of AB 1755. Recognizing that strong partnerships between both state government and other organizations was essential to implementing AB 1755, the Water Foundation worked with the PAT to convene water data experts and stakeholders to collect input on water data governance. Guidance resulting from these and other outreach efforts guided the formation of the California Water Data Consortium – an independent, non-profit organization to support implementation of AB 1755. The Water Data Consortium was founded in July 2019.

The California Water Data Consortium is a nonprofit organization supporting informed decision-making in California around water resources. The Consortium provides a neutral organizational space to build trust and facilitate collaboration across sectors. The primary programmatic priorities of the group include:

- Developing protocols for streamlined data reporting to state agencies, that reduce reporting redundancies and increase reporting transparency and efficiency and make recommendations to state agencies;
- Ensuring the Partner Agency Team has an easy, organized way to solicit ideas and feedback;
- Pooling and aligning funds to help California achieve its open water data goals;
- Increasing shared knowledge and shaping data collaborations to tackle California's most pressing water challenges.

For more information about the California Water Data Consortium, please visit their website at: <https://cawaterdata.org/>.

**Recommended Action: Receive and file.**

## ITEM # 6. SALT AND NUTRIENT MANAGEMENT PLAN REVIEW PROCESS UPDATE & DISCUSSION

As was presented to the Committee at the February meeting, the Salt and Nutrient Management Plan (SNMP) describes how water and wastewater agencies will manage nitrogen and salts on a watershed- or basin-wide basis. SOCWA received IRWM funds through the Proposition 84 IRWM Planning Grant, to ensure compliance with Proposition 84 IRWM Plan Standards requiring completion and inclusion of an SNMP in the South OC IRWM Plan. The SNMP remains a key component of the 2018 IRWM Plan, included in summary as Section 13, and in full as Appendix G. At the February Committee meeting, Ms. Amber Baylor, South Orange County Wastewater Authority (SOCWA), provided an update to the Committee on the SNMP submittal to the San Diego Regional Water Quality Control Board (SDRWQCB), and monitoring activities associated with plan implementation. Ms. Baylor will update the Committee on progress made on SNMP approval since the February meeting.

The SNMP was submitted to the SDRWQCB for approval on July 25, 2014 in compliance with the State Water Resources Control Board (State Water Board) 2009 Recycled Water Policy, but the plan was never formally approved. The State Water Board adopted another update to the policy – the 2018 Recycled Water Policy – since the SOCWMA SNMP submittal in 2014; this update became effective on April 8, 2019. Unfortunately, there was no guidance in the 2018 Policy addressing those SNMP's which had been submitted by agencies prior to the April 8, 2019 date, and for which the SDRWQCB had not completed review. This is critical because the 2018 Recycled Water Policy §6.2.1.3 provides an evaluative pathway for those previously approved SNMPs that is in alignment with the current technical work that has been invested in by SOCWA's member agencies.

At the February Committee meeting, Committee members discussed options to support SDRWQCB review of the 2014 SOCWA SNMP and requested that SOCWA draft a letter for individual South OC WMA Member Agency consideration, in support of expeditious plan review. Subsequent to this request, several actions have been taken by the SDRWQCB and SOCWA to this end. Recognizing the technical and procedural aspects of the differing policies, SOCWA staff met with the SDRWQCB staff and project consultants on March 4, 2020 to evaluate the best path forward. The SDRWQCB memorialized their concerns in a letter received by SOCWA on April 15, 2020 which deemed the 2014 SNMP as non-compliant with the 2018 Recycled Water Policy. In response to this letter, SOCWA submitted a letter to the SDRWQCB on April 21, 2020 expressing appreciation for the plan's review, along with a matrix of SOCWMA member agencies' response to comments. SOCWA and the SDRWQCB have met on a regular basis to discuss the submitted phased deliverables associated with the 2020 SNMP update so that compliance with the 2018 Recycled Water Policy can be achieved in an expeditious manner.

Ms. Baylor will update the Committee on progress made on SNMP review since the February meeting. The Committee may consider the proposed letter included as **Appendix A** in support of 2020 SNMP plan review. As directed by the Committee at the February meeting, letters would be submitted by Committee Member Agencies at the discretion of their agency.

**Recommended Actions:** Consider proposed letter for submittal to San Diego Regional Water Quality Control Board in support of the 2020 Salt and Nutrient Management Plan, to be submitted at the discretion of each Member Agency on behalf of their agency.

## ITEM # 8. EXECUTIVE OFFICER'S REPORT

Ms. Amanda Carr, County of Orange, will provide an update on several ongoing projects and efforts within the South Orange County Watershed Management Area including, but not limited to the following:

- The tenth anniversary of the SOCWMA IRWM Group Cooperative Agreement on December 14, 2020
- Committee agenda development procedures;
- The Aliso Creek Watershed Project Collaboration Group;
- Grant programs administered on behalf of the SOCWMA IRWM Group;
- Water Quality Improvement Plan implementation; and
- Roundtable of Region/State activities (as applicable).

**Recommended Action: Receive and file.**

## **ITEM # 9. EXECUTIVE COMMITTEE MEMBER COMMENTS**

## **ITEM # 10. ADJOURNMENT**

Next meeting date: November 5, 2020

## Appendix A: Draft Letter of Support for 2020 Salt & Nutrient Management Plan

---

[ENTER DATE], 2020

Mr. David Gibson  
Executive Officer  
San Diego Regional Water Quality Control Board  
2375 Northside Drive, Suite 100  
San Diego, CA 92018

**RE: South Orange County Salt and Nutrient Management Plan**

Dear Mr. Gibson,

The South Orange County Integrated Regional Water Management (IRWM) Group represents a collaborative effort to support regional water resource planning, bringing together 22 Member Agencies and other stakeholders through an established engagement process. A key responsibility of the South OC IRWM Group is to develop and maintain compliant IRWM Plans that integrate all aspects of regional water planning in South Orange County. IRWM Planning has also supported over \$36 million in grant funding for projects in the region since 2006. Of these funds, the South OC IRWM Group dedicated \$258,422 of Proposition 84 IRWM Planning Grant funds in 2011 to develop a Salt and Nutrient Management Plan (SNMP). The resultant 2014 South Orange County SNMP<sup>1</sup> administered by the South Orange County Wastewater Agency (SOCWA) comprises Section 13 and Appendix G of the 2018 South Orange County IRWM Plan<sup>2</sup>. Integration of the SNMP in the plan affirms the importance of, and support for recycled water production in South Orange County – a region 97% reliant upon imported water.

The governance structure of the South OC IRWM Group includes an Executive Committee representing elected representatives from each Member Agency. I write to you representing [ENTER AGENCY] on the Executive Committee, in support of SOCWA's update 2020 SNMP, which is consistent with the 2014 submission and the 2018 Recycled Water Policy. The [ENTER AGENCY] appreciates the allocation of precious staff resources to ensure expeditious review and approval of the SOCWA SNMP. [ENTER AGENCY] is supportive of South Orange County's development, use, and storage of recycled water.

Thank you for your consideration in this matter. For questions regarding the SOCWA request submitted on April 21, 2020, or the South Orange County Wastewater Authority SNMP, please contact SOCWA General Manager Betty Burnett at (949) 234-5420 or [bburnett@socwa.com](mailto:bburnett@socwa.com).

Sincerely,

South Orange County IRWM Representative [ENTER REPRESENTATIVE NAME]  
Board/Council Member for [ENTER AGENCY NAME]
